**Parent/Guardian:** I give permission for my child to receive seizure medication at school according to the school district policy and as instructed by my healthcare provider.

I agree and am responsible to:

- Deliver my child's seizure medicine to school in its original container and labeled by a pharmacist or healthcare provider
- Tell the school as soon as possible if there is a change in the use of my child's seizure medicine
- Tell the school if my child gets a new healthcare provider
- Have my healthcare provider complete a new medicine form for my child if the medicine or dose changes.

I agree for child's healthcare provider to talk with the school or any school staff person about my child's seizure medical plan. No other part of my child's medical health will be discussed.
