INFORMATION

Most rentals are labor+, meaning there's a charge for labor (see below) as well as the space. Class A rental (directly school affiliated and support organizations) are charged labor only. Class B rental (any non Class A, for profit) are charged labor + space fees. Any rental may incur an excessive cost fee - this can occur when additional wear and tear, items are missing or damage during the rental. This will lead to additional charges and possible termination of future rentals.

Please note, there is a two (2) hour minimum for labor costs affiliated with all rentals regardless of Class A or B.
